

## Engineering & Construction Project Management

The Engineering and Construction Project Management (ECPM) training course is a 3-day intermediate level course covering the principles, processes, tools and techniques of project management in an engineering and construction context.

It is excellent preparation for construction project managers who wish to register as Professional Construction Project Managers with the South African Council for Project and Construction Management Professions. The course prepares candidates for the SACPCMP Test of Professional Competency and the Professional Interview

This course is based on the internationally recognised Project Management Body Of Knowledge (PMBOK® Guide) and its Construction Extension published by the Project Management Institute (PMI®) in the USA. It has been adapted to the South African built environment and takes the learner through the entire project life cycle from the Initial Briefing Phase, Concept Phase, Design Phase, Procurement Phase, Construction Phase and Close-out Phase.

The ECPM course is validated by the Consulting Engineers South Africa (CESA) the validation number is SAACE-035-01/10 and contributes 3 credits towards Continuing Professional Development (CPD) as required by the Engineering Council of South Africa (ECSA) for engineers to retain their professional engineer registration.

### Accredited Project Management Training

Attending the ECPM course will enable learners to establish a solid framework for consistently managing successful projects by drawing up a comprehensive Project Management Plan covering the following management aspects:

- \* Scope Management
- \* Time Management
- \* Cost Management
- \* Financial Management,
- \* Quality Management
- \* Human Resources Management
- \* Communication Management
- \* Risk Management
- \* Procurement Management
- \* Integration Management
- \* Claims Management and Contract Law
- \* Health & Safety Management
- \* Environmental Management

#### Who should attend?

Engineers, Construction Project Managers, Consulting and Design Engineers, Engineers-in-Training, Functional Managers, Project Sponsors, Architects, Quantity Surveyors, etc. will find this course invaluable.

### Registration Form (you may register from [www.projectpro.co.za](http://www.projectpro.co.za))

**2012 Workshop Dates:**      **Venue: Gauteng**

24 –26 April 2012, 27–29 June 2012

Centurion Lake Hotel, Centurion

**Venue: Durban**

On Demand

**Venue: Cape Town**

On Demand

**Other venues and dates: Courses throughout Southern Africa can be arranged on sufficient demand (minimum 10 delegates)**

**Course fee held at ProjectPro venue: = R 8 174 incl. VAT\* per delegate**

(Includes 3-day course, lunches, teas, course manual including Project Management Guide, and VAT).

\* Discount of 10% is offered for third and subsequent candidates on the same workshop and on one invoice.
