

Obtain your internationally recognised
Project Management Professional (PMP)
Credential
 by joining ProjectPro's
eLearning course
 based on the **PMBOK® Guide 4th Edition**

The Project Management Professional (PMP) certification offered by the Project Management Institute (PMI) is internationally, the most recognised project management certification. Hundreds of thousands of project managers around the world presently hold this sought-after certification.

Large organisations such as Transnet, IBM, Eskom, SAB Miller, AT&T, ABB, NCR, Siemens, Citi-Bank, Ericsson, Canadian

Dept of Defence, Korean Electricity Power Corp. etc. include the PMP in their project management career path.

PMP is a recognised credential for project management professionals in RSA, USA, Canada, Europe, Japan, Australia, New Zealand, China, South Africa, etc.

The requirements to sit for the exam are 7 500 hours of project experience, or a college /university /equiv. 4-year degree plus 4 500 hours of project experience. In addition 35 contact hours of project management education is required for the PMP, which this eLearning course provides.

Regular Skype and webinar sessions for online groups or individuals are held for the facilitator and candidates to interact in real-time.

The PMP eLearning course comprises:

- * 13 Modules covering framework and the nine knowledge areas to work through at your own pace
- * Video clips, narrations, animations and case studies are used extensively to reinforce the theory
- * Creative quizzes are inserted in the modules to check understanding of the concepts
- * A computer-based testing and scoring process assesses your knowledge at the end of each module. Hundreds of typical exam questions and answers are worked through during the course.
- * Guidelines for qualifying in areas of experience and knowledge.
- * Advice on further recommended reading
- * Free access to ProjectPro's e-library of project management articles
- * A final 100-question knowledge assessment must be submitted to ProjectPro with a passing score of at least 60% to obtain a certificate of achievement.
